Ahh, ahh, ahh mmm
Whoa yeah

They can say
Anything they want to say
Try to bring me down
But I will not allow
Anyone to succeed
Hangin' clouds over me
And they can try
How to make me feel
That I don't matter at all
But I refuse to falter in
What I believe or
Loose faith in my dreams

'Cause there's
(Haa)
There's a light in me
(Haa)
That shines brightly
(Haa)
They can try
But they can't take
That away from me
(Haa)
From me
(Ooo, ooo, ooo, ooo)
Ahh nana, nana, nana haha
(Nana ooo, ooo, ooo, ooo)
Yeah
(Ooo, ooo, ooo)

Oh, they
They can do
Anything they want to you
If you let them in
But they won't ever win
If you cling to you pride
And just push them aside
See I, I have learned
There's an inner peace I own

Something in my soul that
They can not possess
So I won't be afraid and
The darkness will fade

'Cause there's
(Haa)
There's a light in me
(Haa)
That shines brightly
(Haa)
Yes they can try
But they can't take
That away from me

No oh, oh
(No oh, oh)
They can't take this
(Precious love I'll always have inside me)
Precious love I'll always have inside me
Certainly the Lord will
(Certainly the Lord)
Guide me where I need to go
(Anytime you guide on me to go)

Woah, woah
They can say
Anything they want to say
Try to bring me down
But I won't face the ground
I will rise steadily
Sailin' out of their reach
Although they do try
How to make me feel
That I don't matter at all
But I refuse to fall
Tell me what I believe or
Loose faith in my dreams

'Cause there's some light in me
(Haa)
That shines brightly, yes
(Haa)
They can try but they can't
Take that away from
Me
(Haa)
From me
(Haa)
(Woo, woo, woo)
No, no, no, no, no, no, no

(Ooo)
Mmm
