They can say anything they want to say  
Try to bring me down  
But I will not allow anyone to succeed  
Hanging clouds over me

And they can try hard to make me feel  
That I don't matter at all  
But I refuse to falter in what I believe  
Or lose faith in my dreams

'Cause there's, there's a light in me  
That shines brightly  
They can try  
But they can't take that away from me  
From me

Oh they, they can do anything they want to you  
If you let them in  
But they won't ever win  
If you cling to your pride and just push them aside

See, I, I have learned there's an inner peace I own  
Something in my soul  
That they cannot possess  
So I won't be afraid and the darkness will fade

'Cause there's, there's a light in me  
That shines brightly  
They can try  
But they can't take that away from me

No, they can't take this  
Precious love, I'll always have inside me  
Certainly the Lord will guide me  
Where I need to go

They can say anything they want to say  
Try to break me down  
But I won't face the ground  
I will rise steadily sailing out of their reach

Oh Lord, they do try hard to make me feel

That I don't matter at all  
But I refuse to falter in what I believe  
Or lose faith in my dreams

'Cause there's a light in me that shines brightly  
Yes, they can try  
But they can't take that away from me  
From me
