(Damian Marley):

2008

Watch it

Yeaaaah

Yo Mariah Carey

Along side

Gong Marley, huh

Natty

Check it

Pepper

(Y'all know

what this is)

(Mariah Carey):

Can't get him

Outta my mind

Can't explain it

But it's somethin

'Bout him

Makin me high

Like a motor revvin'

Over and over

It don't stop

He cruised

Beside me now

I'm flyin, drivin'

Through yellow lights

I'm ignorin'

Every sign of caution

That they provide

Driver's Education 101

Slipped out of my mind

I need me a caddy

With some cruise control

No, no, no

I've been told

So many sagas

He brings the drama

Six baby mamas

But uh ooh

I can't resist 'em
Just want to kiss 'em
I need cruise control

Might need
To go slow
I don't know
Why ease up
On the break
Every time
I see his face
I'm outta control
Ah, I don't know
How to stay up
In my lane
Every day and night
He's cruisin'
Through my brain

Wherever I go
He be cruisin'
Turn to the right
Ooh
He so smooth with it
Deep down inside
Don't want to lose him
He already know
I'm willin' to go
Gotta get
On cruise control

C-R-U-I-S-E control (4x)

Can't nobody
Can't nobody
Tell me nothin'
When he comes in to view
Cause he's
The flyest thing
When he be cruisin'
On me avenue
Then da door open
De gals 'pon de block
They be hop-on
To rob the clock me
Say no man
Step up step up
Bottle broken
Think I'm jokin'

I've been told

So many sagas
He brings the drama
Six baby mamas
But uh ooh
I can't resist 'em
Just want to kiss 'em
I need cruise control

Might need
To go slow
I don't know
Why ease up
On the break
Every time
I see his face
I'm outta control
Ah, I don't know
How to stay up
In my lane
Every day and night
He's cruisin'
Through my brain

Wherever I go
He be cruisin'
Turn to the right
Ooh
He so smooth with it
Deep down inside
Don't want to lose him
He already know
I'm willin' to go
Gotta get
On cruise control

(Damian Marley):
You put your hand
In cruise control
And you deny me
If you want
And you will starve
Yourself of love
If you don't speed
And break the law
You can't get
No speeding ticket
On the highway
To my heart
And it might be
A rocky road
And you can exit

If you want
(Why you always)
Look at life just
Like a pessimist
(Yeah)
You already
Like a wife up
In my premises
(Yeah)
And right ya now
You cruise control
It is my nemesis
(Yeah)
Just come again
And stop and start
Just like a genesis
(Yeah)

(Mariah Carey):
Might need
To go slow
I don't know
Why ease up
On the break
Every time
I see his face
I'm outta control
Ah, I don't know
How to stay up
In my lane
Every day and night
He's cruisin'
Through my brain

Wherever I go
He be cruisin'
Turn to the right
Ooh
He so smooth with it
Deep down inside
Don't want to lose him
He already know
I'm willin' to go
Gotta get
On cruise control
