Shouldn't have walked away
I would have stayed if you said
We could have made everything okay
But we just
Threw the blame back and forth
We treated love like a sport
The final blow hit so low
I'm still on the ground

I couldn't have prepared myself for this fall
Shattered in pieces curled on the floor
Supernatural love conquers all
Remember we used to touch the sky

And lightning don't strike
The same place twice
When you and I
Said goodbye
I felt the angels cry
True love's a gift
But we let it drift
In a storm
Every night
I feel the angels cry

Come on babe can our love be revived?
Bring it back and we gon? make it right
I'm on the edge just trying to survive
As the angels cry

Limitless omnipresent kind of love
Couldn't have guessed it
Would just stop
And disappear in a whirlwind
Here I am walking on this narrow road
Wobbling but won't let go
Waiting for a glimpse of the sun's glow

I know I can stand just pull me back up
But there ain't a hurricane it's just us
I'm willing to live and die for our love

Baby we can get back that shine

?Cause lightning don't strike
The same place twice
When you and I
Said goodbye
I felt the angels cry
'Cause true love's a gift
But we let it drift
In a storm
Every night
I feel the angels cry

Come on babe can our love be revived?
Bring it back and we gon? make it right
I'm on the edge just trying to survive
As the angels cry

Baby I'm missing you
Don't allow our love to lose
We gotta ride it through
I'm reaching for you

Baby I'm missing you
Don't allow our love to lose
We gotta ride it through
I'm reaching for you

Lightning don't strike
The same place twice
You and I
Said goodbye
Felt the angels cry
'Cause true love's a gift
We let it slip
In a storm
Every night
I feel the angels cry
