Crybaby (featuring Snoop Doggy Dog)

When I think of our untimely end
And everything we could have been
I cry, baby I cry

Ok so it's 5 am and
I still can't sleep
I took some medicine
But it's not working
Someone's clinging to me
And it's bittersweet
'Cause he's head over heels
But it ain't that deep
I finally changed my number
Got a different pager
Then last Saturday
Your cousin called to say you're
Tryin' to reach me
Probably because you see that
I'm with someone new

CHORUS:

Late at night like a little child
Wandering around alone in my new friend's home
On my tippy toes
So that he won't know
I still cry baby
Over you and me

Sipping Bailey's Cream
By the stereo
Trying to find relief
On the radio
I'm suppressing the tears
But they start to flow

'Cause the next song I hear
Is a song I wrote
When we first got together
Early that September

I can't bear to listen
So I might as well drift
In the kitchen
Pour another glass or two
And try to forget you

REPEAT CHORUS SNOOP'S VERSE REPEAT CHORUS (3X)
