(oo-oo, ahh) ooo-oo, woah
(woah-oh-oh-oh) ahh-ah
(do-do, do-do, do-do) do-do-do, yeah
(do-do, do-do, do-do) oh-oh-oh

I wonder if you think of me
Somewhere in the shadows of your mind (ooo-oo)
Although our love could never be
I find I think about you all the time (mmm, baby)

Am I in your fantasies?
The way you always wander into mine (ooo-oo)
And are you longing endlessly?
Just like me, deep inside (oh baby, baby)

When the nights are dark and cold
Do you think of me? Do you think of me?
And when you're lying all alone
Do you think of me? Do you think of me?
When you feel the touch of another love
Do you think of me? Do you think of me?
Am I the one you're dreaming of?
Do you think of me? Do you think of me?

(oo-oo) I picture you embracing me
We drift away and leave the world behind (baby)
But it's only make-believe
Love can be, so unkind (oh baby, baby, baby)

When the nights are dark and cold (ooo)
Do you think of me? Do you think of me?
And when you're lying all alone (ooo, baby)
Do you think of me? Do you think of me?
When you feel the touch of another love
Do you think of me? Do you think of me?
Am I the one you're dreaming of?
Do you think of me? Do you think of me? (oh-oh-ooo)

Hey, tell me babe, 'cause I need you babe
Really want you baby, oh baby, and oh

When the nights are dark and cold

Do you think of me? (oh-oh) Do you think of me?
And when you're lying all alone
Do you think of me? (woah) Do you think of me?
When you feel the touch of another love
Do you think of me? Do you think of me? (baby, baby,
baby)
Am I the one you're dreaming of?
Do you think of me? (you-oo) Do you think of me?

When the nights are dark and cold (I, need you so
much)
Do you think of me? Do you think of me? (when I'm lying
all alone baby)
And when you're lying all alone
Do you think of me? (oo-baby) Do you think of me? (tell
me do you-oh-oh-oh)
When you feel the touch of another love
Do you think of me? Do you think of me? (baby, baby,
baby, baby)
Am I the one you're dreaming of?
Do you think of me? Do you think of me? (yeh)

'Cause I think about you baby, I'm lying all alone, yeh
I think about you, yes I do
