Baby, don't tell me you miss me, you love me  
Don't whisper gently that you can forget me  
Tonight tonight, cause I've heard it all before  
Just turn away don't play that game  
Baby I don't want to anymore

Chorus:

Let it all fade away  
Don't you know that love is gone  
It's too late  
Everything fades away  
Nothing ever stays the same  
Baby, no no no

Baby don't tell me you're sorry you hurt me  
How many times can I give in  
How many battles can you win  
Oh don't beg for mercy  
Tonight tonight cause I can't take any more  
Just turn around don't break me down  
Baby I don't love you like before

Chorus

Corey Rooney:

So hard for me to let you go  
Don't leave me standing in the cold  
Oh baby give me one more chance  
I know that we can make it last  
Just let me love you one more time

Mariah: Don't say it

Rooney: Oh darlin gonna lose my mind

Mariah: Don't say it babe

Chorus 2x

Baby don't tell me you miss me you love me

Chorus
