Baby don't tell me you miss me, you love me
Don't whisper gently that you can't forget me
Tonight, tonight cause I've heard it all before
Just turn away, don't play that game
Baby I don't want to anymore

Chorus:
Let it all fade away
Don't you know that love is gone
It's too late
Everything fades away
Nothing ever stays the same
Baby, no no no

Don't tell me you're sorry you hurt me
How many times can I give in
How many battles can you win
Oh don't beg for mercy
Tonight, tonight cause I can't take any more
Just turn around, don't break me down
Baby I don't love you like before

Let it all fade away
Don't you know that love is gone
It's too late
Everything fades away
Nothing ever stays the same
Baby

(guy)
So hard for me to let you go
Don't leave me standing in the cold
Oh darling give me one more chance
I know that we can make it last
Just let me love you one more time (Mariah: Don't say it)
Girl I don't wanna lose my mind (Mariah: Don't say,
say...)
So hard for me to let you go
So hard for me to let you go

Chorus:
Let it all fade away

Don't you know that love is gone
It's too late
Everything fades away
Nothing ever stays the same
Baby
Nothing ever stays the same

Let it all fade away
Don't you know that love is gone
It's too late
Everything fades away
Nothing ever stays the same
Baby

It only fades, it only fades
Baby don't tell me you miss me you love me... (Repeat
and fade)
