Chorus:

Ex-girlfriend you can't have him

It's about time

That you found you a new man

He's moved on

Don't you know, don't you know

You gotta let him go,

Let him go, let him go

Ex-girlfriend you don't listen

Stop trying

He's not gonna give in

He's not yours anymore

Don't you know

You gotta let him go

Let him go, let him go

Hey ex-girlfriend

It's too bad when you had him

Y'all thing didn't work

But he's all mine now

So stop pursuing him

Before you get your feelings hurt

See our love is hot  
And no, it won't stop  
'cause I got him on lock  
And although he rejects you  
It don't seem to affect you  
'cause you just keep trying  
To get wit him  
So don't, don't keep, keep calling  
Hanging up the phone  
When I answer I know it  
Tears you up inside and  
Why do you sit in silence  
On the other end  
'till I hang up and you  
Predictably call right back again  
Repeat chorus  
Hey ex-girlfriend  
Whatever your name is  
I'm really not amused  
'cause the things you do  
Are very offensive  
And sometimes straight up rude  
All those late night calls and notes  
On his car  
Won't get you anywhere  
You can call his mom

As much as you want  
And he won't really care  
So don't, don't keep, keep calling  
Hanging up the phone  
When I answer I know it  
Tears you up inside and  
Why do you sit in silence  
On the other end  
'till I hang up and you  
Predictably call right back again  
Repeat chorus  
I understand why  
You want him back  
But don't you know  
Our love's too strong  
For you to penetrate  
It's too late  
He's not your baby no more
