[chorus]

Oh damn

The club 'bout to close in a minute

Can I Get Your Number Baby,

So you and I can go get in it

Let me come and pick you up oh

And go take you out oh

Can I get your number baby

So I can show you what I'm all about

what I'm all about

damn

I've been checkin' you out

And I noticed that you ain't just one of the crowd

So tell me won't you

Come on and see about me baby

I've got the cris on ice and I'm 'bout to get nice

Up in VIP with all my ladies

Tell me how many times in your life

Will you get an opportunity like this tonight

Tell me a little somethin' about you

Here's a little somethin' about me

I got a house in Capri and my own G4

And a Benz with the doors that lift up from the floor

[chorus]

Oh damn

The club 'bout to close in a minute

Can I get your number baby

So you and I can go get in it

Let me come and pick you up oh

And go take you out oh

Can I get your number baby

So I can show you what I'm all about

What I'm all about

Damn

Now that you're sitting next to me

I bet you're wondering

What my intentions are for you  
And I to get into  
Baby I just wanna  
Hug and kiss and love ya  
Look into my eyes baby don't be shy  
Is it yes or no  
We ain't got all night  
Tell me how many times in your life  
Will you get an opportunity like this tonight  
Tell me a little somethin' about you  
Here's a little somethin' about me  
I gotta pip Penthouse with a sick hot tub  
We can watch a flat screen  
While the bubbles fillin' up

[chorus]  
Oh damn  
The club 'bout to close in a minute  
Can I get your number baby  
So you and I can go get in it  
Let me come and pick you up oh  
And go take you out oh  
Can I get your number baby  
So I can show you what I'm all about  
What I'm all about  
Damn

La, la, la, la, la,  
la, la  
(x2)

oh damn  
the club 'bout to close in a minute  
can i get your number baby  
so you and I can go get in it  
Let me get come and pick you up oh  
and go take you out Oh  
can I get your number baby  
So I can show you what I'm all about  
what I'm all about  
Damn
