ahh.. ahh.. ahh..
ohh.. ohh..
ooh ooh ooh ooh ooh..

la la la..
ahh.. ahh.. ahh..
ohh.. ohh..

Once upon a time, we swore not to say goodbye
Something got a hold of us and we changed
And then you sat alone in pride
And I sat at home and cried
How'd our fairytale just end up this way

We went round for round til' we knocked love out
We were laying in the ring, not making a sound
And if that's a metaphor of you and I
Why is it so hard to say goodbye

I can't wait to hate you
Make you pain like i do
Still can't shake you off (Still can't shake you off)
I can't wait to break through
These emotional changes
Seems like such a lost 'cause
I can't wait to face you,
break you down so low
there's no place left to go

I can't wait to hate you
Ooh ohh

Ooh this was a love phenomenon no one could explain
And i wish I could press reset and feel that feeling
again
I sit and press rewind
And watch us every night
Wanna pause it but I can't make it stay (Just gotta let it
play)

We went round for round til' we knocked love out

We were laying in the ring not making a sound
And if that's a metaphor of you and I (I)
Why is it so hard to say goodbye (why's it so hard)

I can't wait to hate you
Make you pain like i do
Still can't shake you off (Still can't shake you off)
I can't wait to break through
these emotional changes
Seems like such a lost cause
I can't wait to face you, (oh, oh, oh, oh)
break you down so low
There's no place left to go

I can't wait to hate you
ohh ohh ohh

No need to call my phone cause I changed my number
today
Matter fact I think I'm moving away (away)
Sorry the frustration's got me feeling a way
And I just keep having one last thing to say

And I just wanna hold you,
Touch you, feel you, be near you
I miss you baby baby baby (baby baby baby)
I'm tired of tryin' to fake through
But there's nothing I can do
Boy I can't wait to hate you

I can't wait to hate you (oooooooooooooooooh)
Make you pain like I do
Still can't shake you off (Still can't shake you off)
I can't wait to break through
these emotional changes
Seems like such a lost cause
I can't wait to face you (oh, oh, oh, oh)
break you down so low
there's no place left to go
I can't wait to hate you baby
Ohh, oh-oh, ohh

I can't wait to H-A-T-E you
Cause right now I need you
Can't wait to make you go
