[Mariah]
Honey they can't do it like this
Just play the record

[Da Brat]
Guess who's back in the muther***** house
With two big tigglebitties for your mouth
Heartbreakers must partake in the sensation
So So Def and Clue, hits in the making

[Missy]
Oh guess who's driving the five double O
Like Yipi-Yi Yipi-Yo, yeah
When I talk smack y'all better skip back
Like here we go, cause the b**** don't play

[Mariah]
Ooh your love's so good
I don't wanna let go
Even though I should
I can't leave you alone
Cause you're so disarming
I'm caught up in the midst of you
And I can not resist, oh

2 - [Mariah]
Boy if I do
The things you want me to
The way I used to do
Would you love me baby
Holding me, feeling me or would you go and break my
heart

3 - [Mariah]
Heartbreaker you've got the best of me
But I just keep coming back incessantly
Oh why did you have to run your game on me?
I should of known right from the start
You'd go and break my heart

3 - I need someone to give me some real love

Repeat 3 till second verse

[Mariah]

Why, when I met you that night baby
It no way wouldn't last
I gave my love then you hurt me
Which I've been taking over

See I have never met a guy
And I was withdrawn to the lies
(Should've know you'd break my heart)

[Da Brat]

Come on, yeah, yeah, uh, uh, come on, yeah, yeah, uh,
yeah, yeah, uh
Come on
Well if the Brat gave a f*** about a nigga
My heart would be broke
Should of know you were star struck
When I left your stroke
My guards were up in the beginning
But then I gave you my heart and you broke it again
I'm a fool when you smile, I'm convinced
I get caught up in you and I just can't resist
I know you lie to me, it just drive me nuts
That one kiss could persuade me to believe your bluffs
You set it up and impressed me with pimps and rings
I wish love was dollars cause money ain't a thang
Cause Clueminati and MC move the party
I got a heater ready to blaze somebody
It's that dummy you, it's that for each member of my
crew
In fact, I'm a heartbreak you
Lay you flat on your back
You really don't know
So I'd advise you not to trust me no

[Missy]

Yo, yo
Baby, I the real thing
So why you got me sweating you consistently baby
Baby, I got that good thing
So while you're making love to me you crazy baby
(Oh!)

[Missy]

I like the way he used to spank me
He used to lie me on my back take that!
He used to have me in the sack, legs back
But now he been buggin' lately

Hey boy why you actin' stinky
I keep ya stiff like wood baby
So if you wanna keep a good lady
You need to stop with all the heartbreaking

Repeat 2

Repeat 2 & 3 till end
