Gimme your love [32x]
Don't go and break my heart (don't go and break my heart)
You got the best of me
Don't go and break my heart (don't go and break my heart)
You got the best of me

Oh, you love so good
I don't wanna let go
And although I should
I can't leave you alone
Cause you're so disarming
I'm caught up in the mist of you
And I cannot resist at all

Boy if I do
The things you want me to
The way I used to do
Would you love (love) me (me) baby
Or leave me feeling used
Would you go and break my heart

Heartbreaker you got the best of me
But I just keep on coming back incessantly
Oh why did you have to run your game on me
I should have known right from the start
You'd go and break my heart

Gimme your love [17x]
I want your love
I need your love
Gotta have your love

It's a shame to be so euphoric and weak
When you smile at me
And you tell me the things
That you know are stated to relinquish my love
To you but I cannot resist
At all

Heartbreaker you got the best of me
But I just keep on coming back incessantly
Oh, why did you have to run your game on me
I should have known right from the start
You'd go and break my heart

Heartbreaker you got the best of me
But I just keep on coming back incessantly
Oh, why did you have to run your game on me
I should have known right from the start
You'd go and break my heart

I keep, I keep coming right back [12x]
I keep on [3x]
I keep on coming back to you
Yea, hey, I, I keep on coming back to you
Yeah
Ooh, I keep coming back

Gimme your love [15x]
Don't go and break my heart
You got the best of me

Don't go and break my heart
Ooh I need your love baby
You got the best of me

Think of the times, moments we shared (shared)
Heartbreaker you got the best of me
Think of the times, moments we shared

I've been thinking bout the way you haven't treated me
right
Me right
I've been dreaming bout you baby I can't sleep at night
At night
Cause you know how we make each other feel
We shouldn't be apart (we shouldn't be apart)
So why don't you come on baby don't go and break my
heart

If you should ever be lonely think of the times
Think of the moments we shared
If you should ever be lonely think of the times
Think of the moments we shared

You can't lie to me baby cause you're not good at lies
At lies
I can see through you baby right through your eyes
Your eyes
Cause you know how we make each feel

We shouldn't be apart (we shouldn't be apart)
So why don't you come on baby
Don't go and break my heart

If you should ever be lonely think of the times
Think of the moments we shared
If you should ever be lonely think of the times
Think of the moments we shared

Gimme your love [16x]
Don't go and, don't go and, don't go and
Give me your love
I need it
I want it
Gotta have it
Don't go and break my

Heartbreaker you got the best of me
But I just keep on coming back incessantly
Oh why did you have to run your game on me
I should have known right from the start
You'd go and break my heart

Heartbreaker you got the best of me
But I just keep on coming back incessantly
Oh why did you have to run your game on me (Why)
I should have known right from the start
(Known right from the start that you'd)
You'd go and break my heart

Heartbreaker you got the best of me
But I just keep on coming back incessantly (I keep on coming)
Oh why did you have to run your game on me (Why, why)
I should have known right from the start
(Right from the start you'd go and break my heart)
You'd go and break my heart

Heartbreaker you got the best of me
But I just keep on coming back incessantly
Oh why did you have to run your game on me
I should have known right from the start
You'd go and break my heart

I keep, I keep coming right back [4x]

Don't go and break my heart (Don't go and break my heart)
You got the best of me
Don't go and break my heart

(No, no, why why, did you have to run your game on me)
You got the best of me
Don't go and break my heart (Don't go and break my heart)

Oh, why, why, baby

You got the best of me
(Think of the times moments we shared (shared))
Why, why, why, why
(Think of the times moments we shared (shared))
Why did you go and break my heart

Heartbreaker you got the best of me
But I just keep on coming back incessantly
Oh why did you have to run your game on me
(Why, did you run your game on me)
I should have known right from the start
You'd go and break my heart

Heartbreaker you got the best of me
But I just keep on coming back incessantly (I keep on coming back to you)
Oh why did you have to run your game on me (Why)
I should have known right from the start
(Right from the start you'd go and break my heart)
You'd go and break my heart

Heartbreaker you got the best of me
But I just keep on coming back incessantly
Oh why did you have to run your game on me (I love you, I need you)
I should have known right from the start
(Right from the start you'd go and break my heart)
You'd go and break my heart

Heartbreaker you got the best of me
But I just keep on coming back incessantly (I, I love you baby)
Oh why did you have to run your game on me (Game on me)
I should have known right from the start
(Right from the start you'd go and break my heart)
You'd go and break my heart

You got the best of me
