Take the ribbon from your hair,
Shake it loose and let it fall,
Layin' soft against my skin.
Like the shadows on the wall.

Come and lay down by my side
'till the early morning light
All I'm takin' is your time.
Help me make it through the night.

I don't care if it's right or wrong,
I don't try to understand.
Let the devil take tomorrow.
Cause, tonight I need a friend.
Yesterday is dead and gone
And tomorrow's out of sight.
And it's sad to be alone.
Help me make it through the night.

Well, I don't care if it's right or wrong,
I don't try to understand.
Let the devil take tomorrow.
Cause, tonight I need a friend.

Yesterday is dead and gone
And tomorrow's out of sight.
Lord, it's bad to be alone.
Help me make it through the night.
I don't want to be alone
Help me make it through the night
