This is for you, I love you, thank you

Hmm
There's a hero
If you look inside your heart
You don't have to be afraid
Of what you are
There's an answer
If you reach into your soul
And the sorrow that you know
Will melt away, hey

And then a hero comes along
With the strength to carry on
And you cast your fears aside
'Cause you know you can survive
So when you feel like hope is gone
Look inside you and be strong
And you'll finally see the truth
That a hero lies in you

Quante volte va
Anche se tu non lo vuoi
Ogni piccola sconfitta sembra sia
Un deserto
Di rinunce e grande ostilita
E vuoi dimenticare la realta

La luce dentro te
Si accende sai perche
Non sei mai solo nei momenti in cui
Ti sembra che nessuno al mondo
Creda in te
Non perderti perche
La luce tua si accendera
E vedrai che il buio
In quel momento svanira

Oh oooh
Lord knows (Lord knows)
Dreams are hard to follow
But don't let anyone

Tear them away, yeah, yeah
(La luce dentro te)
Just hold on
And there will be tomorrow
And in time
You'll find the way (you'll find the way)

La luce dentro te - And then a hero comes along
Si accende sai perche - With the strength to carry on
Non sei mai solo nei momenti in cui - And you cast your
fears aside
Ti sembra che nessuno al mondo - 'Cause you know
you can survive
Creda in te - So when you feel like hope is gone
Non perderti perche - Look inside you and be strong
La luce tua si accendera e vedrai che il buio - And you'll
finally see the truth
In quel momento svanira - That a hero lies in you

That a hero lies in you
La luce dentro te
Doo
That a hero lies in
You
