When you get caught in the rain  
With nowhere to run  
When you're distraught and in pain  
Without anyone

When you keep crying out to be saved  
But nobody comes and you feel so far away  
That you just can't find your way home  
You can get there alone, it's okay, what you say is

I can make it through the rain, I can stand up once  
again on my own  
And I know that I'm strong enough to mend  
And every time I feel afraid I hold tighter to my faith  
And I live one more day and I make it through the rain

And if you keep falling down, don't you dare give in  
You will arise safe and sound, so keep pressing on  
steadfastly  
And you'll find what you need to prevail  
What you say is

I can make it through the rain, I can stand up once  
again on my own  
And I know that I'm strong enough to mend  
And every time I feel afraid I hold tighter to my faith  
And I live one more day and I make it through the rain

And when the wind blows, as shadows grow close don't  
be afraid  
There's nothing you can't face  
And should they tell you you'll never pull through  
Don't hesitate, stand tall and say, "Ay, yeah, yeah, hey,  
ey, yeah"

I can make it through the rain, I can stand up once  
again on my own  
And I know that I'm strong enough to mend  
And every time I feel afraid I hold tighter to my faith  
And I live one more day and I make it through the rain

I can make it through the rain and stand up once again

And I live one more day  
And I can make it through the rain  
(Oh, yes, you can)  
You're gonna make it through the rain
