Uhh, hoo, yeah

Once again we sit in silence  
After all is said and done  
Only emptiness inside us  
Baby, look what we've become  
(Oh)

We can make a million promises  
But we still won't change  
It isn't right to stay together  
When you only bring each other pain

I don't wanna cry  
Don't wanna cry  
Nothing in the world  
Could take us back

To where we used to be  
Though I've give you my heart and soul  
(Given you my heart and soul)  
I must find a way of letting go

'Cause baby  
I don't wanna cry  
I don't wanna cry  
Hey

Too far apart to bridge the distance  
But something keeps us hanging on and on  
Pretending not to know the difference  
Denying what we had is gone

Every moment we're together  
It's just breaking me down  
I know we swore it was forever  
But it hurts too much to stay around

I don't wanna cry  
Don't wanna cry  
Nothing in the world  
Could take us back

To where we used to be  
Though I've give you my heart and soul  
(Given you my heart and soul)  
I must find a way of letting go

'Cause baby  
I don't wanna cry  
Uh, I don't wanna cry  
No

All the magic's gone  
There's just a shadow of a memory  
Something just went wrong  
We can't go on make believing

I don't wanna cry  
Don't wanna cry  
Nothing in the world  
Could take us back

To where we used to be  
Though I've give you my heart and soul  
(Given you my heart and soul)  
I must find a way of letting go

'Cause baby  
I don't wanna cry
