Vb 1

Give me place in your life
How it slipped away
So quickly
You part of my life
And you were mine
How I much I care of you
You ever know
Give me trust no one will ever know
What you done
Tombstone then word come "r.l.p"
It kill to think about
When you love so long
Will I ever see you again
I like to think of you

I never know the feeling I make it one day
Without you
Sure you keep it up
I see you didn't throw it away
What was promise to me
Keep on love as you like
You didn't fear it to much
