No, no, yeah, yeah
You look in my eyes
And I get emotional inside
I know it's crazy
But you still can touch my heart

And after all this time you'd think
That I wouldn't feel the same
But time melts into nothing
And nothing's changed

I still believe, someday you and me
Will find ourselves in love again
I had a dream, someday you and me
Will find ourselves in love again

Each day of my life
I'm filled with all the joy I could find
You know that I am not the desperate type
If there's one spark of hope left in my grasp
I'll hold it with both hands

It's worth the risk of burning
To have a second chance
No, no, no, no, no, no I need you baby
I still believe that we can be together
Ooh, oh, no, no, no

If we believe that true love never has to end
Then we must know that we will love again
Ooh, oh
I still believe, someday you and me
Will find ourselves in love again

Oh baby, yeah, yeah
I had a dream, you and me
Will find ourselves in love again
(I still believe)

Oh baby, I do
(Someday you and me)
Just give me one more time

And love again

I had a dream, someday you and me
Will find ourselves in love again
