I gotta take a little time
A little time to think things over
I better read between the lines
In case I need it when I'm colder

In my life there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've traveled so far
To change this lonely life

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me

I'm gonna take a little time
A little time to look around me
I've got nowhere left to hide
It looks like love has finally found me

In my life there's been heartache and pain
I don't know if I can face it again
I can't stop now, I've traveled so far
To change this lonely life

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me

I wanna know what love is
I want you to show me
And I wanna feel, I want to feel what love is
And I know, I know you can show me

Let's talk about love
I wanna know what love is, the love that you feel inside
I want you to show me, and I'm feeling so much love
I wanna feel what love is, no, you just cannot hide
I know you can show me, yeah
