I gotta take a little time  
A little time to think things over  
I better read between the lines  
In case I need it when I'm colder

In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've traveled so far  
To change this lonely life

I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me

I'm gonna take a little time  
A little time to look around me  
I've got nowhere left to hide  
It looks like love has finally found me

In my life there's been heartache and pain  
I don't know if I can face it again  
I can't stop now, I've traveled so far  
To change this lonely life

I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me

I wanna know what love is  
I want you to show me  
And I wanna feel, I want to feel what love is  
And I know, I know you can show me

Lets talk about love  
I wanna know what love is, the love that you feel inside  
I want you to show me, and I'm feeling so much love  
I wanna feel what love is, no, you just cannot hide  
I know you can show me, yeah

I wanna know what love is, lets talk about love

I want you to show me, I wanna feel it too  
I wanna feel what love is, I want to feel it too  
And I know and I know, I know you can show me  
Show me love is real, yeah  
I wanna know what love is...
