Show you I care I tried just 'cause
Take care of solitaires I buy just 'cause
I just love, you in the nude, in the bed in the pool and
your legs when you move.
All your booty and your beauty and the sexy way you do
it make me wanna buy all the you desire times two.
Like the biggest Louis bags, the bentley and newest
jags and the huge pad and make you laugh when you
be mad.
Just invite your friends over for diner and you can brag,
chanel and tiffany this, versace and gucci that.
Lifestyle like that if you leave you'll be back
erway you could go they eitha broke or pretty wake
plus y'aint gotta ask where my heart really at but you
wanna waste time with one of dem silly cats
Gon' be my guest tho' I dont suggest
It's just so hard to get love like this

Don't want another, ain't never gonna be another, Can't
nobody do what you do to me. (Repeat 3 Times)

Ad Libs after repeat...

(Nobody)1st Time

(Can't nobody love me)2nd Time

(Like You Do)3rd Time

I'll be Loving You Long Time (as I can be)
I'll be lovin' you long time (eternally)

Long as I know you've got me.
I'll be Loving You Long Time (as I can be)
I'll be lovin' you long time (eternally)
There's no stopping you and me. I'll be Loving You
Long Time (eternally)
