Everytime I try to leave  
Something pulls me back baby  
Tried and tried to let you go  
But it's just impossible  
Everytime we say goodbye  
Bitter tear drops fill my eyes  
Wish I didn't need you so  
But you're irresistible  
I don't wanna lose you to somebody else  
But I can't go on contradicting myself  
I know that it's pointless to keep hodling on  
But something inside tells me you're where I belong  
Everytime I try to leave  
Something pulls me back baby  
Tried and tried to let you go  
But it's just impossible  
Everytime we say goodbye  
Bitter tear drops fill my eyes  
Wish I didn't need you so  
But you're irresistible  
I know that it's unrealistic to think  
That things will get better  
Between you and me  
Cause time after time  
You just shatter my heart  
But when I'm without you  
I feel so torn apart  
Everytime I try to leave  
Something pulls me back baby  
Tried and tried to let you go  
But it's just impossible  
Everytime we say goodbye  
Bitter tear drops fill my eyes  
Wish I didn't need you so  
But you're irresistible  
Boy  
I wish  
That I didn't  
Love you so  
(oh oo oh oo oh oh)  
I try to tell you no  
But you're irresistible

(oh oo oh oo whoah oh)  
See I only want it to be like it was  
When we got together and first fell in love  
Sometimes it's like I'm addicted to you  
This love's so consuming  
I don't know what to do  
Everytime I try to leave  
Something pulls me back baby  
Tried and tried to let you go  
But it's just impossible  
Everytime we say goodbye  
Bitter tear drops fill my eyes  
Wish I didn't need
