[Verse 1]

Yet another early morning
And you walked in like it's nothing
Hold up, hold up, hold tight
Ain't no donuts, ain't no coffee
See I know you seen me callin and callin
I should crack you right in your forehead

[Chorus]

Let me take a breath (let me take breath)
And regain my composure
Told you one more time (told you one more time)
If you f'd up it's over
Well it's gone, it's gone, it's gone, it's gone
You dead wrong so wrong, so wrong, so wrong
So just scoodoodoodoodoo (scoodoodoodoodoo) baby
(Shoodoodoodoodooo) it's a wrap for you baby
It's a wrap for you boy (oh baby)
Ooweeeeoooooooooweeeeoooo

[Verse 2]

If I ever misrepresented my self image
Then I'm sorry
I was oh so acquiescent (acquiescent)
But I learned my lesson
Boy you sorry
Bump bump bump all out in the open
Don't make me call maury povich

[Chorus]

Let me take a breath (let me take breath)
And regain my composure
Told you one more time (told you one more time)
If you f'd up it's over
Well it's gone, it's gone, it's gone' it's gone
You did wrong so wrong, so wrong, so wrong
So just scoodoodoodoodoo (scoodoodoodoodoo) baby
(Shoodoodoodoodooo) it's a wrap for you baby
It's a wrap for you boy (oh baby)

[Bridge]

Put all your shit in the elevator

It's goin down like a denominator
Tryin to keep holdin on, holdin on
Boy let me go
You gonna wake my neighbors
Get away from my door
That was your last shot you ain't comin back
It's the martini I mean it baby
It's a wrap (it's a wrap)

[Chorus]

Well it's gone, it's gone, it's gone' it's gone
You did wrong so wrong, so wrong, so wrong
So just scoodoodoodoodoo (scoodoodoodoodoo) baby
(Shoodoodoodoodooo) it's a wrap for you baby
It's a wrap for you boy (oh baby)
Ooweeeeoooooooooweeeeoooo
