[Intro]

Oooh

Our love goes round

Our love goes round

Our love goes round

On a joy ride

On a joy ride

With you babe

With you babe

With you babe

With you baby

[Verse 1]

Baby baby don't you ever let go

More and more until we both overflow

Got a feeling that my heart's never known

I found love

Tender kisses and I'm floating on air

You can have me anytime, anywhere

When you need me I will always be there

I found love

[Chorus 1]

And our love goes round and round

(round and round and)

Way up high, a joy ride

(a joy ride)

We can touch the stars above

We found love

(yea-e yea-e yea-e yeah)

And our love was heaven sent

(heaven sent)

From the day we first met

(from the day that we first met)

We've got something they can't touch

(they can't touch us babe)

We found love

[Verse 2]

Loving you is like a taste of heaven

Wanna gaze into your eyes forever

Run away and spend our lives together

I've found love  
Baby, baby  
All it takes is one touch  
And immediately I feel a rush  
Baby boy, too much is never enough  
I found love

[Chorus 2]

And our love goes round and round  
Way up high (way up high), a joy ride  
We can touch the stars above  
We found love (we-ee)  
And our love was heaven sent  
(Our love was heaven sent)  
From the day we first met  
(from the first day we met)  
We've got something they can't touch  
(They can't touch what we got)  
We found love

[Bridge]

Oh boy  
I don't need (i don't need) anything  
When you're here next to me  
Nobody in this whole wide world  
Could ever replace you in my eyes  
We found paradise  
Forever you and I

Yyyeeeeeeeeaaaaahhhhhh  
Yyeaah  
Yyeeahh  
(yyeeahh, yyeaah)  
Our love goes round and round  
On a joy ride  
(with ya babe, with ya babe,  
With ya babe, with you baby)

And our love goes round and round  
Way up high, a joy ride  
(i'm on a joy ride with you babe)  
We can touch the stars above  
We found love  
(we found love)  
And our love was heaven sent  
(Our love was heaven sent)  
From the day(from the day) we first met  
(we first met)  
We've got something they can't touch  
(we've got what they can't touch)  
We found love

We found lllloooovvvveeee  
Baby, baby baby we-ee found love
