{Bridge 1}

I can't turned back
I want to keep thing moving
I had experience bad relationship
People who didn't love us
Always in my mind
Only for they self
I got keep thing moving
I blame my self
I got keep thing moving

Chorus

I don't won't to be left out
What they talk alway about nothing
I'll keep up with world today
Keep on talking about us
We got keep thing moving

{Bridge2}

I can turned back (it to early in the game)
I want to keep thing moving think about you what we
had
I had experience bad relationship (don't leave just yet)
are we through memories
People who didn't love us
Only for they self
I got to keep these moving
I blame my self the reason I can't get off my mind
I got to keep thing moving

(Chorus) x3

Bridge x4

Bridge2 x4 with ab lid
