## "Last Kiss"

Visit "[Last Kiss](#)" on [MotoLyrics.com](#)

Baby I know this  
Know this, know this  
Aint gon' be  
Our last kiss  
Last kiss, last kiss  
Aint gon' be  
Our last kiss  
Last kiss, last kiss

Feel so empty inside  
Since our last kiss goodbye  
Picture you in my mind  
And I can't seem  
To rationalize  
The way we let it end  
It just don't make no sense  
This can't be happening  
I need you back again

Everybody  
Asking questions  
Like we're some kind  
Of obsession  
For the millionth time  
Asking I'm like  
"Uhh, let it rest"  
Can I get  
A minute to breathe  
They're like  
"Nope  
What's up with you  
And so-so?"

But in my heart  
I know this  
Ain't gon' be  
Our last kiss  
It's too big  
We just can't quit  
What you think this is  
Our love  
Will always exist

Oh, listen to me

Boy you know we trill  
So stop frontin'  
What we got is still  
Somethin' somethin'  
Oh, this feeling  
It's too good to miss  
And ain't no kiss  
Gon' ever be  
Our last kiss

Ooh, you said  
You'd never leave me  
So I'll keep believing  
That eventually  
We gon' kiss away the hurt  
Do it like it were  
And wake up  
How we used to be

Never let it go  
Get it right  
Bring it back home  
Stay for life  
Call it what you want  
It's in your eyes  
We gon' make it thru  
This I'll prove it  
Somethin' bout our love  
Will not fade away  
Always everlasting and

In my heart  
I know this  
Ain't gon' be  
Our last kiss  
It's too big  
We just can't quit  
What you think this is  
Our love  
Will always exist  
Oh, listen to me

Boy you know we trill  
So stop frontin'  
What we got is still  
Somethin' somethin'  
Oh this feeling  
It's too good to miss  
And ain't no kiss

Gon' ever be  
Our last kiss

Baby I know this  
Know this, know this  
Aint gon' be  
Our last kiss  
Last kiss, last kiss  
Aint gon' be  
Our last kiss  
Last kiss, last kiss

In my heart  
I know this  
Ain't gon' be  
Our last kiss  
It's too big  
We just can't quit  
What you think this is  
Our love  
Will always exist  
Oh, listen to me

Boy you know we trill  
So stop frontin'  
What we got is still  
Somethin' somethin'  
Oh, this feeling  
It's too good to miss  
And ain't no kiss  
Gon' ever be  
Our last kiss
