Do, do, do, do...
Mmmm...
Oh...

[Verse 1:]
Who would've believed
That you and me would fall
And land together
And who could've foreseen
In you I'd find the place
I've belonged forever

[Chorus:]
And if I move closer
Then love will take over
And lead the way

[Verse 2:]
I'd given up hope
Losing the faith that love
Could be mine to treasure
And now nothing's the same
I found myself reborn
On the day I met you

[Chorus 2:]
And if we move closer
Then love will take over
And lead the way...yeah...

Suddenly you are lying here with me
And the truths I used to hold have changed

[Chorus 3:]
And if I move closer
And let it take over...
Then love... will lead the way...
(ah-ah-ah-ah-ah-ah)
Hmmm...
So, do, do
Hmmm...

If we move closer
And let it take over..., over
Then love... will lead the way...yeah...
