Make it last

Ooh

Let's make it last forever

(Last... ever)

Don't let our love end

Thank God I found you

Let's make it last

(You)

Let's make it last forever and ever

Don't let our love end

Thank God I found you

Shorty knows she my babygirl and

Playa hatas try hard to get her

But she'll be loungin' in my cradle tonight

Oh

Typically a thug wouldn't say this

But to see your love has got me faded

No girl ever made me feel like you do, ow

Oh

I'ma be here night after night to

Feel your lovin' arms around me baby, baby, baby,
baby

You make it alright

No one but you baby, baby

Can make me feel the way you make me, make me,
make me feel

Oh

Oh... (ooh)

Make it last

Ooh

Don't let our love end

Oh, don't you let it end

Make it last forever and ever

Thank God I found you

Your touch is wonderful

Your love is so marvelous

Joy, that's what I feel when I'm with you

Yeah

Nothing, no one
(No one, boy)
Could compare to what we have
(Oh no, baby)
Love, it feels so good
I'm so glad you're mine
Oh

Make it last (forever)
Ooh
Don't let our love end
(No, no, no, no)
Make it last forever and ever
Thank God I found you

I'm yours
(I'm yours)
For always
(For always)
My shorty
(My baby)
Forever my baby
You move me
(You move me)
You soothe me
(You soothe me)
I love you
You know I do
Thank God that I found you
(Whoa)

Make it last
Ooh
Make it last forever and ever
No, don't you let it end
(Don't let our love end)
Make it last, baby
Thank God I found you
(Thank God, oh)

Thank You, Lord (yeah)
That I found love
That I found my true love
Oh, baby
See I was so lost without your love
I was lost without you, my every wish and dream
Became reality

Oh, I was so lost
Oh, I
I'm overwhelmed with gratitude

Oh yeah
My baby I'm so thankful
(Thank God I found you)

Thank God I found you, I was so lost without you
My every wish and every dream somehow became
reality
Brought the sunshine
Completed my whole life
Make it last forever, baby
Thank God I found you, you, you, you
You, you, you
You, you
