When you get caught in the rain  
With no where to run  
When you are distraught and in pain  
Without anyone,  
When you keep crying out to be saved  
But nobody comes  
And you feel so far away  
That you just can't find your way home  
You can get there alone it's okay  
once you say.

I can make it through the rain  
I can stand up once again  
On my own and I know  
That I'm strong enough to mend  
And everytime I feel afraid  
I hold tighter to my faith  
And I live one more day  
And I make it through the rain.

And if you keep falling down  
Don't you dare give in  
You will arise safe and sound  
So keep pressing on steadfastly  
And you'll find what you'll need to prevail  
Once you say.

I can make it through the rain  
I can stand up once again  
On my own and I know  
That I'm strong enough to mend  
And everytime I feel afraid  
I hold tighter to my faith

And I live one more day  
And I make it through the rain.

And when the wind blows  
And shadows grow close  
Don't be afraid  
There's nothing you can't face  
And should they tell you

You'll never pull through  
Don't hesitate, stand tall and say

I can make it through the rain  
I can stand up once again  
On my own and I know  
That I'm strong enough to mend  
And everytime I feel afraid  
I hold tighter to my faith  
And I live one more day  
And I make it through the rain  
I can make it through the rain  
And stand up once again  
And I'll live one more day and I  
I can make it through the rain  
Oh yes you can  
Oh your gonna make it through the  
Rain
