Mariah Carey, (JD):

i am thinking of you (thats right)
in my sleepless solitude tonight (yea)
if it's wrong to love you (it's like that)
then my heart just won't let me be right
'cause I've drowned in you (uh huh)
and I won't pull through
without you by my side (oh yeah)

i'd give my all (my all)
to have just one more night with you
i'd risk my life (yea)
to feel your body next to mine (uh huh)
'cause I can't go on
living in the memory of our song
i'd give my all (my all)
for your love tonight

(MC come on) want your loving arms
around me boy
and like that was
a cuddling talk
and a feel that wont
i feel damn great
and wont let go, ooowwohhh

'cause that could be no sadder
sight to see
then if we were to miss this opportunity
so send me up a signal
and ill catch the light
if there's no time
you know it's up to you
so why dont you

stay a night, child (come on)
stay a night, child (i like this)
stay a night, child
stay a night, child (and let's take it uptown, beat it
down)

Peter Gunz (JD):
since you put it that way
honey, im gon' stay (yea)
and only your love can make Peter parley (uh huh, uh)
let the limo leave and cancel the flight
and i only will i stay, girl im spendin the night (uh huh)
and if its right, im spendin my life, or album
if it seems like im rushin then i'll sleep on the couch
MC it's your call, im ready to ball
and if you need me, i'm ready to brawl

Lord Tariq:
and that's forever by law
together we ball
we taking it all
i'll make you feel a way a woman never fealt before
i see women on many levels
never higher than yours
with a body like that
that face, no flaw
you got to be havin sense
saying you's a dime
you ought to meat her in a seven
if you like the way rhyme
yes shine, i'm a veteran
picture me and honey
spendin money like whatever then
we both got it
