I'm thinking of you
in my sleepless solitude tonight.
If it's wrong to love you,
then my heart just won't let me be right,
cos I've drowned in you and I won't pull
through without you by my side

chorus:I give my all to have just one more night with
you
I'd risk my life to feel your body next to mine
cos I can't go on living in the memory of our song
I give my all for your love tonight.

Put your lovin' arms around me boy,hold me like I was
a cuddly toy,let me feel that warmth of your embrace
don't let go,cos there could be no sader sight to see
then if we're meant to miss this oppurtunity
so send me up a signal and I catch your line
if there's no time you know it's up to you

Bridge: So won't you stay a little while(stay),stay a little
while child
stay a little while(stay),stay a little while child

Rap:

Why don't you stay a little while ,stay a little while child

then let put love to the limit and life to the edge
got only one request of you
Stay a while.....

Chorus:
