Ft. The-Dream

[The Dream]

Radio Killa

Did a song with the American Dream

They can't put it down like this, no no no no

I'm her baby, she my shawty

Oh, we rockin

They got our shit all up in the press

They hate on us

Now whos right there every time you cry?

Gonna sleep and wake up on your side?

Endless love I'll always provide

They hatin on us and you should know why

But whos be lovin' you lately?

Whos willing to go half on the baby?

Who who who's trying to flag our ship?

They just tryin to get the love you give

But baby,

[Both]

Tell me what they know about my love (my love)

Tell me what they know about my love (my love)

Tell me what they know about my love (my love)

Tell me what they know about my love (my love)

Tell me what they know about my love (my love)

Tell me what they know about my love (my love)

Tell me what they know about my love (my love)

Tell me what they know about my love (my love)

Ooohhh

[Mariah Carey]

So they don't understand why I'll never leave you

Explain my love? I don't need to

Got everybody way up in our business

Cuz lovin each other stay on their wish list

I see them reachin everytime you call me baby

They on my back like a shirt, get off me baby

They don't love me, let them wonder why

Here to stay and they going bye bye

Whos the one calling you baby?
Whos in love with your ass like crazy?
Who who who's gonna flag our ship?
They just tryna get the love u give baby

[Both]

Tell me what they know about my love (they know about my love)

Tell me what they know about my love (tell me what they know about us)

Tell me what they know about my love (hey)

Tell me what they know about my love (my love)

Tell me what they know about my love (my love)

Tell me what they know about my love (tell me what)

Tell me what they know about my love (no, no they don't know)

Tell me what they know about my love (no, no, no they don't know)

[Mariah Carey]

No, no they don't know

Oh

No baby, no baby

Oh

[The Dream]

My love is your love

There aint nothing in this world

That they can do to make me give you up

Oh baby you will always be my girl

So let them do whatever, say whatever

Cuz I ain't givin her up

[Both]

Tell me baby

Tell me what they know about my love (Pretty baby)

Tell me what they know about my love (my love)

Tell me what they know about my love (no, no, no they don't know)

Tell me what they know about my love (no, no they don't know)

Tell me what they know about my love (my love)

Tell me what they know about my love (my love)

Tell me what they know about my love (my love)

Tell me what they know about my love (my love)

Ooohhh
