You're with me  
Til the bitter end  
What we had transcends  
This experience  
Too painful to  
Talk about  
So I'll hold it in  
Til my heart can mend  
And be brave enough to love again

A place in time  
Still belongs to us  
Stays preserved in my mind  
In the memories there is solace

Never too far away  
I won't let time erase  
One bit of yesterday  
Cause I have learned that  
Nobody can take your place  
Though we can never be  
I'll keep you close to me  
When I remember

Glittering lights  
Incandescent eyes  
Still preserved  
In my mind  
In the memories I'll find solace

Never too far away  
I won't let time erase  
One bit of yesterday  
And I have learned that  
Nobody can take your place  
Though we can never be  
I'll keep you close to me  
And I'll remember

A place in time  
Still belongs to us  
Stays preserved in my mind

In the memories there is solace

Never too far away  
I won't let time erase  
One bit of yesterday  
Cause I have learned that  
Nobody can take your place  
And though we can never be  
I'll think of you and me  
Always remember

Love

You're never too far
