I won't be afraid
I'll be alright if you help me
I know your looking down from heaven
And I won't let you down
I'll be everything you taught me
And all that I know is our way
Hate to see you whenever...

Sorry I never told you
All I wanted to say
And now it's too late to hold you
'cause you've flown away
So far away

Never had I imagined
Living without your smile
Feeling and knowing you hear me
It keeps me alive
Alive...

And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day
Eventually we'll sing in heaven

Darling I never showed you
Assumed you'd always be there
And I took your presence for granted
But I always cared
And I miss the love we shared

And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day
Eventually we'll sing in heaven

Although the sun will never shine the same
I'll always look to a brighter day
Lord I know when I lay me down to sleep
You will always listen as I pray

And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day
And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day
Eventually we'll sing in heaven

Sorry I never told you
All I wanted to say ...
