Ribbon with a bow on it
Ribbon with a bow on it
Ribbon with a bow on it

Ribbon with a bow on it
Ribbon with a bow on it
Ribbon with a bow on it

(Radio Killa)

It's only been twenty good minutes
Since I kissed you
Come back boo
I miss you
Wish I had twenty million hours
To caress you
And undress you
To be continued...

Boy youuu
You don't know how it feels
When you whisper in my ears
Boy youuuu
You gave my body chills
Whenever you are near

And boy I got ya
Loving on my mind
I got ya
Loving on my mind
You got me
Wrapped up Packed up
Ribbon with a bow on it
I got ya
Living on my mind
I got ya
Loving on my mind
You got me
Wrapped up Packed up
Ribbon with a bow on it
Wrapped up Packed up
Ribbon with a bow on it

Wrapped up Packed up
Ribbon with a bow on it

Hey, sometimes we argue and we fight
But they better note that that's my baby
You might even think you cute
But everybody knows that I'm his lady
Everytime you see us
We supafly
So proud he's by my side
He knows I'm ride or die
You don't know how we roll
Holla at your people

Boy youuu
You don't know how it feels
When you whisper in my ears
Boy youuuu
You gave my body chills
Whenever you are near

And boy I got ya
Boy, I got your loving on my mind
I got ya
Loving on my mind
You got me
Wrapped up Packed Up
Ribbon with a bow on it
I got your loving on my mind
I got ya
Loving on my mind
You got me
Wrapped up Packed Up
Ribbon with a bow on it
Wrapped up Packed up
Ribbon with a bow on it
Wrapped up Packed up
Ribbon with a bow on it

Boy I'm on my time for you
You made me feel so elusive
Tell me what I'm supposed to do
When your not around
Oh baby
Hey, hey, hey(4x)

Ooh boy you got me
You got me
You got me eeeeeee

Boy I got your loving on my mind

I got ya
Loving on my mind
You got me
Wrapped up, Packed Up
Ribbon with a bow on it
I got your loving on my mind (With a bow on it)
Wrapped up, wrapped up
Ribbon with a bow on it (Ribbon with a bow on it baby)
Wrapped up, Packed Up
Ribbon with a bow on it
Boy you don't need all the things you do
I could spend my whole life with you
Wrapped up, Packed Up
Ribbon with a bow on it

I got ya loving on my mind
Baby I could spend my life with you
It's been twenty good minutes since I kissed you
Come back boo
I miss you...
