

Mariah Carey "Say Something"

Visit "[Say Something](#)" on MotoLyrics.com

Ft. Snoop Dogg

I am over here
Looking at you
You are over there
Watching me too
Both painting pictures of how we'll kiss and hug

So what we gon' do
(So what you gon' do, what you gon' do)
Tell me why we're standing here
Moments splashing here and there
You got my mind blown
And baby, I'm ready to go

But uh...
If it's worth your while
Say something, say something
If it's worth your while
Say something good to me
Hey, hey, hey, hey, hey
If it's worth your while
Do something good to me

(Let's make it)
Hot as you can stand it
Something like volcanic
You and me seems organic
Just like the stars in the planet
Yeah, we are
So what you gon' do
(So what you gon' do, what you gon' do)

Tell me why we're still in here
There is nothing for us to hear
I could tell with my eyes closed
Now baby, I'm ready to go

But uh...
If it's worth your while
Say something, say something
If it's worth your while

Say something good to me
Hey, hey, hey, hey, hey
If it's worth your while
Do something good to me

If it's worth your while
Say something, say something
If it's worth your while
Say something good to me baby
Hey, hey, hey, hey, hey
If it's worth your while
Do something good to me

Everytime I fall through
Want me to speak on the word or two
It's the D-O-double-G
And I do it so lovingly
Digging the track to the Neptune
Spending your time in the westgrove
Now get bug wide
Shhh, don't make a sound
I'll take you, lay you down
Make your body go round and round
Do you want to?
Won't say you want, I know you do
Most girls play shy
It won't hurt until you give it a try(Uhuh)
I know you like my smile
Dig my span
Big, bad, wide

But uh...
If it's worth your while
Say something, say something
If it's worth your while
Say something good to me
Hey, hey, hey, hey, hey
If it's worth your while
Do something good to me
But uh...
If it's worth your while
Say something, say something
If it's worth your while
Say something good to me
Hey, hey, hey, hey, hey
If it's worth your while
Do something good to me
