I don't wanna live
without your love...)

I can't imagine
Looking in someone else's eyes
What we have surpasses
Even paradise
It's hard to fathom
Reaching for someone else's hand
What we share is magic
Heaven had a plan

Chorus:
Sent from up above
So much love
In my life
I can't get enough
Of your touch
feels so right

Unending passion
Somehow the fire never dies
What we share
Is everlasting
Love without without demise
He made it happen
Placed so much joy into our hands
What we dreamed
We finally captured
Heaven took command

Chorus

Chorus

I don't wanna live
Witout your love
Must've been sent
From up above
Just can't get enough
I don't wanna live

Without your love
Must've been sent
From up above

Chorus
