I gotta shake it off  
Cos the lovin aint the same  
And you keep on playin games  
Like you know Im here to stay  
I gotta shake, shake it off  
Just like the Calgon commercial  
I really got get up outta here  
An go some where  
I gotta shake it off  
Gotta make that move  
Find somebody who  
Appreciates all the love I give  
Boy I gotta shake, shake it off  
Gotta do whats best for me (uh-huh)  
Baby and that means I gotta  
Shake you off

By the time you get this message  
Its gonna be too late (uh)  
So dont bother pagin me  
Cos Ill be on my way (what you doin')  
See I packed up my diamonds and clothes  
Just ask your mama she knows  
Your gonna miss me baby hate to say I told you so  
Well At first I didnt know but now its clear to me  
You would cheat with all ya freaks  
And lie compulsively  
So packed up my Louis Vitton  
Jump in your ride took off  
Youll never ever find another girl who loves you more

than me

[Chorus:]

I gotta shake it off  
Cos the lovin aint the same  
And you keep on playin games  
Like you know Im here to stay  
I gotta shake, shake it off  
Just like the calgon commercial  
I really got get up outta here  
An go some where  
I gotta shake it off  
Gotta make that move (uh-huh)  
Find somebody who  
Appreciates all the love I give  
Boy I gotta shake, shake it off  
Gotta do whats best for me  
Baby and that means I gotta  
Shake you off

Shake, shake, shake, shake, shake  
Shake it off

Ive found out about a gang  
Of ya dirty little deeds  
With this one and that one  
By the pool on the beach in the street  
Heard yall was

Imma hang up and call the machine right back  
I gotta get this off, of mind  
You wasnt worth my time  
So im leavin you behind (yeah)  
Cos I need a real love in my life  
Save this recording because  
Im never coming back home (uh-huh)  
Baby Im gone (gone)

[Chorus:]

Dont you know  
I gotta Shake you off  
Cos the lovin aint the same  
And you keep on playin games  
Like you know Im here to stay  
I gotta shake, shake it off

Just like a calgon commercial  
I really got get up outta here  
An go some where  
(I) I gotta shake it off  
Gotta make that move  
An find somebody who  
Appreciates all the love I give  
Boy I gotta shake, shake it off  
Gotta do whats best for me  
Baby and that means I gotta  
Shake you off

Shake, shake, shake, shake, shake  
Shake it off (ooh)  
Shake, shake, shake, shake, shake  
I gotta Shake it off  
Shake, shake, shake, shake, shake
