Umm
Aha, umm umm
Ooo, hey, hey
Wao, wao, hey, yeah
Hey, hey, hey, hey
Yeah

You were so blind to let me go
You had it all but did not know
No one you'll ever find will be
Closer to all your dreams than me
Believing the grass would be greener
You told yourself, "I just don't need her now"
But I know you'll soon discover
You're never satisfied with any other

Someday, oh, someday
One you gave away will be the only one you're wishing
for
Someday, hey, hey
Boy, you're gonna pay 'cause baby I'm the one who's
keeping score

You'll change your mind and call my name
Soon as you find they're all the same
And when you find yourself alone
Don't come back crying, you should have known
Believe me, I'm not pretending
It's not hard to predict this ending now
'Cause I know you'll soon discover
You're needing me inspite of all the others

Someday, oh, someday
One you gave away will be the only one you're wishing
for
Someday, hey, hey
Boy, you're gonna pay 'cause baby I'm the one who's
keeping score
Someday, oh, someday
One you gave away will be the only one you're wishing
for
Someday, hey, hey

Boy, you're gonna pay 'cause baby I'm the one who's
keeping score

Maybe now you just can't conceive
That there'll ever come a time when you're cold and
lonely
Baby, how could you ever believe
That another could replace me, the one and only?
But when you are down in your time of need
And you're thinking that you might be coming back to
own me
Just think again 'cause I won't need your love anymore

Someday, oh, someday
One you gave away will be the only one you're wishing
for
Someday, hey, hey
Boy, you're gonna pay 'cause baby I'm the one who's
keeping score
Someday, oh, someday
One you gave away will be the only one you're wishing
for
Someday, hey, hey
Boy, you're gonna pay 'cause baby I'm the one who's
keeping score

Someday, oh, someday
One you gave away will be the only one you're wishing
for
Someday, hey, hey
Boy, you're gonna pay 'cause baby I'm the one who's
keeping score
Someday, oh, someday
