The gleaming in my eye (uh, huh)

Because of you

I'm a little hypnotized (yeah)

But everytime you're with me (uh)

I feel so positive

That with a little love

Somethings gotta give

Mariah:

A full moon is waiting in the twilight

Maybe soon you will come to be my knight

Here we are

Hoping that we never part

Stay with me

And that's why (uh)
I'm so in love with you (me, too)
But this romantic evening
You lead me at my door (yeah, yeah)
But tonight, I'd like us to explore

JD y'all
MC y'all
See, I saw you in the party

With your eyes on me
Fittin' the description
Of what I want my bride to be (ha, ha)
As live as me
Don't know the same guys as me
But a lot of style
And usin' wild name like Ivory
I agree with my niggas
You the baddest
I ever seen in a long time (uh)
But woman with her own shine
Is her own time
And I don't hit
Cuz I'm tired of dealin'
With the wrong kind
Getting non' but the bullshit
She got a playa
Tryin' to think of new things to say (sup, baby)
She up in the corner
Sippin' Don P, Rosee' (yeah)
Shakin' it up with the homegirls
Payin' no attention to us
They in they own world
'aiyyo girl'
I'm the man to fulfill your needs
Get you everything that you see in your dreams
Baby, let nothing and nobody tear us apart
And forever you'll be my sweetheart
