(Mariah)

I would give up everything  
Before I'd separate myself from you  
After so much suffering  
I've finally found unvarnished truth  
I was all by myself for the longest time  
So cold inside  
And the hurt from the heart it would not subside  
I felt like dying  
Until you saved my life

(Chorus - all)

Thank God I found you  
I'm lost lost without you  
My every wish and every dream  
Somehow became reality  
When you brought the sunlight  
Completed my whole life  
I'm overwhelmed with gratitude  
Cause baby I'm so thankful i found you.

(Joe)

I would give you everything  
There's nothing in this world I wouldn't do  
To ensure your happiness  
I'll cherish every part of you  
Because without you beside me I can't survive  
Don't wanna try  
If you're keeping me warm each and every night  
I'll be all right  
Cause I need you in my life

(Chorus - all)

Thank God I found you (I'm thanking you)  
I'm lost lost without you (so lost without you)  
My every wish and every dream (every dream, every  
dream)  
Somehow became reality  
When you brought the sunlight (brought the sunlight)  
Completed my whole life  
I'm overwhelmed with gratitude  
Cause baby I'm so thankful I found you.

-Bridge- (Mariah & Joe)  
See I was so desolate  
Before you came to me  
Looking back I guess it shows  
That we were destined to shine  
After the rain to appreciate  
The gift of what we have  
And I'd go through it all over again  
To be able to feel this way

(Chorus - all)  
Thank God I found you  
I'm lost lost without you (lost without you baby)  
My every wish and every dream  
Somehow became reality  
When you brought the sunlight  
Completed my whole life (whole life)  
I'm overwhelmed with gratitude  
Sweet baby I'm so thankful  
I found you

(Chorus - all)  
Thank God I found you  
I'm lost lost without you  
I'm overwhelmed with gratitude  
My baby I'm so thankful  
I found you

(Mariah)  
I'm overwhelmed with gratitude  
My baby I'm so thankful I found you
