(Infamous it don't stop)  
hmmm...nah hmmm hmm  
(Yeh yeh Infamous knock em out the box)  
(yo yo yo)  
oh oh oh oh  
(I got you stuck off the realness)  
hmm hm hm  
(Infamous knock em out the box)  
uhoh ohhh...  
(I got you stuck off the realness)  
yeh...ooh  
It wasn't raining yet  
But it was definitely  
A little misty on  
That warm November night  
And my heart was pounding  
My inner voice resounding  
Begging me to turn away  
But I just had to see your face  
To feel alive  
And then you casually walked into the room  
And I was twisted in the web  
Of my desire for you (And I was twisted)  
My apprehension blew away  
I only wanted you  
To taste my sadness  
As you kissed me in the dark  
Everytime I feel the need  
I envision you caressing me  
And go back in time  
To relieve the splendor of you and I  
On the rooftop that rainy night  
And so we finished the Moet and  
Started feeling liberated  
And I surrendered as you took me  
In your arms (you took me in your arms)  
I was so caught up in the moment  
I couldn't bear to let you go yet  
(So I...)

Threw caution to the wind  
And started listening to my longing heart  
And then you softly pressed your lips to mine  
And feelings surfaced I'd suppressed  
For such a long long time  
(And I was lifted)  
And for a while I forgot  
The sorrow and pain  
And melted with you as we stood  
There in the rain  
Everytime I feel the need  
I envision you caressing me  
And go back in time  
To relieve the splendor of you and I  
On the rooftop that rainy night  
Everytime I feel the need  
I envision you caressing me  
And go back in time  
To relieve the splendor of you and I  
On the rooftop that rainy night  
Last night (Last night)  
I dreamed that I  
Whispered the words I love you  
And touched you so very  
Subtly as we were kissing goodbye  
RAP (Mobb Deep):  
(Infamous rocks the box)  
I got you stuck off the realness  
Feel this pourin down on your buildings  
The rain about to fall us  
Score up in the project call  
Third floor gravitates  
On the staircase  
As we embrace strictly loud without the raw base  
Me and my ol' dog blowin  
Out the smokes fog  
But over all you the one that's like my pistol  
I said crystal  
Keep you on my side  
Til the ficial (yo yo yo yo)  
Ain't it ill how we click boo  
Just me and you  
Got me stuck off the realness  
Just me and you  
Up on the roof beats  
Peable beach  
Talk to me anytime  
Even when I wit my peeps  
Ruler L why you smell like the perfume Channel  
Push big G's  
Rappin all is simply heavy

We can do it on a roof top  
Do it til we both drop M-O-B-B  
With Mariah sounds so hot  
Everytime I feel the need  
I envision you caressing me  
(Envision you caressing me)  
And go back in time  
(I go back)  
To relieve the splendor of you and I  
On the rooftop that rainy night  
(On the roof that rainy night)  
Everytime I feel the need  
(When I feel the need)  
I envision you caressing me  
(I envision you over and over and over again)  
And go back in time  
(I go back)  
To relieve the splendor of you and I  
(It was oh so sweet you and I)  
On the rooftop that rainy night  
(On that rainy night)  
Everytime I feel the need  
(Last night I had the strangest dream...)  
I envision you caressing me  
(It actually quite symbolic)  
And go back in time  
(As I whispered... that I loved you)  
To relieve the splendor of you and I  
(...very subtly)  
Everytime I feel the need (Infamous ya don't stop,  
Infamous rocks your  
box) I envision you caressing me (Infamous knock em  
out the box) And  
go back in time To relieve the splendor of you and I  
(Infamous rocks  
your box) On the rooftop that rainy night (Infamous  
knocks em off the  
box) (Word Up
