When you get caught in the rain
With nowhere to run
When you're distraught
And in pain without anyone
When you keep crying out to be saved
But nobody comes
And you feel so far away
That you just can't find your way home
You can get there alone
It's okay
Once you say

I can make it through the rain
I can stand up once again
On my own and I know
That I'm strong enough to mend
And every time I feel afraid
I hold tighter to my faith
And I live one more day
And I make it through the rain

And if you keep falling down
Don't you dare give in
You will arise safe and sound
So keep pressing on steadfastly
And you'll find what you need to prevail
Once you say

I can make it through the rain
I can stand up once again
On my own and I know
That I'm strong enough to mend
And every time I feel afraid
I hold tighter to my faith
And I live one more day
And I make it through the rain

And when the wind blows
And shadows grow close
Don't be afraid
There's nothing you can't face
And should they tell you

You'll never pull through
Don't hesitate
Stand tall and say
Yeah yeah yeahhhh

I can make it through the rain
I can stand up once again
On my own and I know
That I'm strong enough to mend
And every time I feel afraid
I hold tighter to my faith
And I live one more day
And I make it through the rain

I can make it through the rain
Can stand up once again
And I'll live one more day, and I
I can make it through the rain
Oh yes you can
You're gonna make it through the rain.
