Joe:

Gotta stand up again and just say  
the rain aint gon melt me again

Mariah:

When you get caught up  
In the pouring rain  
With nowhere to run  
Without anyone  
And you  
Get a little bit frightend  
Cause you've lost your way home  
But through all the Thunder and lightening  
just keep praying and keep  
Saying to yourself

CHORUS

Yes i can, yes i can  
I'll make it through the rain  
I'll stand up once again  
On my own  
And i know  
That im strong and in time i can mend  
When i'm afraid  
I hold tighter to my faith  
Live another day longer  
And i make it through the rain

And if you keep, keep on falling down  
Don't you dare give in  
You will arise safe and sound  
If you keep pressing on, steadfastly  
You'll have everything you need  
Believe you will prevail  
If you just say

Yes i can Yes i can  
I'll make it through the rain  
I'll stand up once again  
On my own

And i know  
That im strong and  
In time i can mend  
When im afraid  
I hold tighter to my faith  
Live another day longer  
And i'll make it through the rain

There are times in your life  
When you feel like you cant keep going  
But keep holding on, keep holding on  
There are times in your life when you  
Feel like the world all around you  
Has shattered, but know  
That you can't be broken

Don't be afraid  
Don't be afraid  
Don't be afraid

Stand tall and say

Yes i can Yes i can  
I can make it through the Rain  
i'll stand up once again  
On my own  
And i know  
That im strong  
And in time i could mend  
When im afr
