Ooh, I'ma love you till the end of time  
Ooh baby, I'ma love you till the end of time

Close to me  
Oh, I need you close to me  
Loving me  
Close to you  
How can I get close to you  
Help me to

Why can't you see  
I would give the world away  
To have you by my side  
Oh, I'm so in need  
Each and every night I pray  
You'll come and save my life  
I will love you till the end of time

I think of you every moment I go through  
Thoughts of you, I dream of you  
All I have are so many dreams of you  
Won't you please come true

Why can't you see  
I would give the world away  
To have you by my side  
Oh, I'm so in need  
Each and every night I pray  
You'll come and save my life  
I will love you till the end, till the end  
Till the end, till the end of time

Tell me what you need  
Let me give you all of me  
But without you nothing's real  
You're the reason that I feel

Tell me what you need  
Let me give you everything  
Every moment I'm alive  
Until the end of time

Why can't you see  
I would give the world away  
To have you by my side  
Don't you know that I, I'm so in need  
Each and every night I pray  
You'll come and save my life  
Oh, I will love you till the end, till the end  
I will love you till the end of time

Ooh, yeah, baby  
Ooh, yeah

Ooh, love you till the end of time  
Ooh, baby, I will love ya  
Ooh, love you till the end of time  
Ooh, baby, I will love you ya

I love you till the end of time  
Ooh, baby, I will love ya  
Ooh, I love you till the end of time  
Ooh, baby, I will love you till the end of time
