It's not chipped, we're not cracked
Oh, we're shattered
Ayyy, ayyy, ayyy
Na na na na na

I thought we had something special, we had something
good
But I shoulda' had another mechanic under my hood
If you see me walking by ya boy, don't you even speak
pretend you on a sofa, and I'm on a TV
Might see me on a poster, see me at a show
But you won't see me for free boy, this ain't no promo

In all shame now,
Wherever you been laying, you can stay now
got to board the BBJ and put the shades down, I'm on
the plane now
and don't keep calling from yo mamma house

when I break, I break boy
Up out my face boy
Up out my face boy
Up out my face, I break
Up out my face boy
Up out my face boy
Up out my face, I break
You ain't never gonna feel this thing again
You gon' get a lot of calls, cause I CCed all your friends
(I break)
I ain't walk around and won't being sad and collecting
my bags

I break, when I break, I break

So look who's crying now, boo hooo hooo
Talking about you're missing your boooo
No you ain't getting it
No you ain't hitting it
No you ain't a rapper so you need to stop spittin' it
Ah ah ha ha ha ha
You wonder who I'm messing with while you ain't next

to me
Ah ah ha ha ha ha
So pay the consequences cuz you let it all wasted

You a shame now, (Shame)
Wherever you been laying, you can stay now
got to board the BBJ and put the shades down, I'm on
the plane now (Oooh)
and don't keep calling from yo momma house

when I break, I break boy
Up out my face boy
Up out my face boy
Up out my face, I break
Up out my face boy
Up out my face boy
Up out my face, I break
You ain't never gonna feel this thing again
You gon' get a lot of calls, cause I CCed all your friends
(I break)
I ain't walk around and won't being sad and collecting
my bags (baby)

I break , I break , I break

And no superglue can fix this
When I break, I break, I break
not even a welder and a builder can rebuild this shit
When I break, I break, I break
Not even a nail technician with a lot of gel and acrylic
can fix this
When I break, I break, I break
If we were two lego blocks,
even the Harvard University graduating class of 2010,
couldn't put us back together again

When I break boy
Up out my face boy
Up out my face boy
Up out my face, I break
Up out my face boy
Up out my face boy
Up out my face, I break
You ain't never gonna feel this thing again
You gon' get a lot of calls, cause I CCed all your friends
(I break)
I ain't walk around and won't being sad and collecting
my bags

When I break boy
Up out my face boy

Up out my face boy
Up out my face, I break
