Verse 1:

sweet love, yeah [yeah]

I didn't mean it when I said

I didn't love you so

I should have held on tight

I never should have let you go

I didn't know nothing,

I was stupid, I was foolish

I was lying to myself

I couldn't have fathomed

I would ever be without your love

never imagined I'd be sitting

Here beside myself

Cause I didn't know you

Cause I didn't know me

But if I knew everything

I never felt

Pre-Chorus 1

The feeling that I'm feeling

Now that I don't hear your voice

Or even touch and kiss your lips

Cause I don't have a choice

Or what I wouldn't give

To have you lying by my side

Right here, cause baby

Chorus 1

When you left I lost a part of me

It's still so hard to believe

Come back baby please cause

We belong together

Who else am I gonna lean on when times get rough

Who's gonna talk to me on the phone

Till the sun comes up

Who's gonna take your place

When there ain't nobody better

Oh baby baby

We belong together

Verse 2

I can't sleep at night

When you are on my mind

Bobby Womack's on the radio

Singing to me "If You Think You're Lonely
Now"

Wait a minute this is too deep [too deep]

I gotta change the station

So I turn the dial tryin' to catch a break

And then I hear Babyface

~f~"~... "I Only Think Of You~f~"~,"~ and it's
breakin' my heart

I'm tryin' to keep it together but I'm falling apart

Pre-Chorus 2

I'm feeling all out of my element

Throwing things, Cryin tryin

To figure out where the hell I went wrong

The pain reflected in this song

Ain't even half of what I'm feeling inside

I need you, need you back in my life baby

Chorus 2

When you left I lost a part of me

It's still so hard to believe

Come back baby please cause

We belong together

Who else am I gonna lean on when times get rough

Who's gonna talk to me on the phone

Till the sun comes up

Who's gonna take your place

When there ain't nobody better

Oh baby baby

We belong together baby

Outro

When you left I lost a part of me

It's still so hard to believe

Come back baby please cause

We belong together

Who else am I gonna lean on when times get rough

Who's gonna talk to me till the sun comes up

Who's gonna take your place

There ain't nobody better

Oh baby baby

We belong together
