Love wandered inside
Stronger than you
Stronger than I
And now that it has begun
We cannot turn back
We can only turn into one

Chorus

I won't ever be too far away to feel you
And I won't hesitate at all
Whenever you call
And I'll always remember
The part of you so tender
I'll be the one to catch your fall
Whenever you call

Verse

And I'm truly inspired
Finding my soul
There in your eyes
And you
Have opened my heart
And lifted me inside
By showing me yourself
Undisguised

Chorus

I won't ever be too far away to feel you
And I won't hesitate at all
Whenever you call
And I'll always remember
The part of you so tender
I'll be the one to catch your fall
Whenever you call

Bridge

And I will breathe for you each day
Comfort you through all the pain

Gently kiss your fears away
You can turn to me and cry
Always understand that I
Give you all I am inside

Chorus

I won't ever be too far away to feel you
And I won't hesitate at all
Whenever you call

Chorus

I won't ever be too far to feel you
And I won't hesitate at all
Whenever you call
I'll always remember
That part of you so tender
And be the one to catch your fall
Whenever you call
