"With Open Arms"

Lying beside you
Here in the dark
Feeling your heartbeat with mine, in mine
Softly you whisper, you're so sincere
how could our love be so blind
We seld on together, we drifted apart
And here you are by my side

Chorus:
So now I come to you
with open arms
nothing to hide
believe what I say
So here I am
With open arms
Hoping you'll see
What your love means to me
Open arms

Living without you
Living alone
This empty house seems so cold
Wanting to hold you
Wanting you near
How much I wanted you home
But now that you come back
Turn my night into day
I need you to say

Chorus repeated
